

Membership Fees

Indicate the appropriate membership level

VCAN & IACA Membership \$45

In addition to Full Membership in VCAN, this will provide a group membership in the International Association of Crime Analysts with a savings of \$5 off the individual IACA member fee.

Full Membership \$25

This will be given to professionals of law enforcement, and to individuals associated with criminal justice, criminology, police science or related fields. Such members will have voting authority.

Associate Membership \$15

This will be given to other professionals and/or persons (including students) who deal with or are involved in the criminal justice community. Such members will not have voting authority.

Agency Membership \$75

This will be given to agencies with four or more individuals from the same agency in the area of law enforcement, criminal justice, criminology, police science, or related fields. Such members will only be allowed one vote from their agency.

Corporate Membership \$250

This will be given to private concerns such as vendors, etc. Such members will not have voting authority.

Please list all individuals who will be covered by an Agency Membership:
